HTML, CSS

Tools & Platforms :

Git, MS office, JIRA

🎓 EDUCATION

B.C.A.

Darshan University
2022 - Present | Rajkot India
at Darshan University

H.S.C.

Noble School Rajkot
2021 - Mar 2022 | Rajkot, India
Percentage - 84.29

S.S.C.

Noble School Rajkot
2020 - Mar 2021 | Rajkot, India
Percentage - 75.33

🔗 CAREER OBJECTIVES

Aspiring Flutter App Developer seeking an entry-level role to apply my expertise in Dart, Flutter, and SQLite for building scalable and high-performance mobile applications. Passionate about delivering user-friendly solutions with a keen focus on UI/UX and backend integration.

📁 PROJECTS

Quiz Management

Quiz management (Duration December 2024 - March 2025) The Quiz Management System is a mobile application that allows administrators to manage quizzes while enabling users to take quizzes and track their progress. Built using Flutter with SQLite as the local database, this project ensures smooth offline functionality and efficient data handling.
